# YSGOL I.D. HOOSON

07.06.21

Dear Parent/Carer,

Welcome back to everyone following the half term break. I hope everyone had an enjoyable week. As we look forward to last half term of the year, I would like to remind you and present some information for the weeks ahead.

**Expectations while on the school site** – I would like to thank everyone for their co-operation with regards to various arrangements which have been put in place during the pandemic. The current daily arrangements will continue until the end of term. These include wearing face coverings when on the school site, one parent/carer to drop-off and collect, avoid arriving more than 5 minutes before your child's start / collection times, and also to continue to follow social distancing arrangements. It is essential that everyone continues to follow the arrangements for personal as well as the well-being, health and safety of others.

**Parking** – Please continue to respect the parking arrangements on the school campus as well as outside the campus. The school can be an extremely busy place in terms of traffic, especially at the beginning and end of the school day and I kindly ask everyone to take care with the high number of pedestrians, both adults and children on the school site. Please do not park in the main entrance or on the double yellow marked lines. This does create much inconvenience for neighbouring families, it impacts on the flow of traffic in and out of the campus, and could also potentially create a dangerous situation if the emergency services were required to access the school site. Thank you.

**Glass** – We have received a message from Tracey Hallmark, who is the Keep Wales Tidy Litter Champion. Tracey has notified the school that a tremendous amount of broken glass has been found on the The Pant pathways from Ysgol Hooson and by the park that pupils play in before and after school. Please take care when walking along these areas and also when the children make use of any of the play areas.

**Hat/Sun protection cream** – During the period of warm and sunny weather, please can you ensure that you have treated your child with sun cream in the morning and for your child to also bring a suitable hat to wear when outside.

**Games and Toys** – We have noticed that a number of children are bringing items such as toys and games from home into school. The equipment which the children require during the school day are provided within each class, and therefore personal items should be kept at home. Thank you.

**Attendance** – I would like to remind all parents/carers to inform the school if a child is unwell and unable to attend school. This should be done before 9.30. You are also able to inform the school through e-mail using mailbox@hooson-pri.wrexham.sch.uk

Yours sincerely,

*Mr Rhodri Jones*
Headteacher
