YSGOL I.D. HOOSON

May 7th, 2020

Dear Parents / Carers,

As a school, we continue to provide opportunities for 'Distance Learning'. We do encourage children to try out the suggested tasks the staff have provided but have not set out an expected number of tasks which need to be completed each day. This is up to the children and you. A variety of activities and tasks are available for the children to try, and we do therefore encourage you and your child to access your child's Google Classroom account through the Hwb learning platform. Remember you can e.mail your child's classteacher for support or with any questions on accessing the resource. **There is no requirement for you and your child to follow any set timetable for activities or tasks, as we wish to give families the flexibility to complete any tasks or activities in a framework that works for you.** We would like to remind you that access to a computer is not required for all activities. It is possible and totally acceptable to complete activities using pen and paper.
As well as having a go with some of the activities offered, we also encourage all pupils to be as active as possible not only mentally but also physically on a daily basis, but understand that it may sometimes be difficult in reality.

Arrangements for e.mail and collect – We have offered an e.mail and collect arrangement over the past two weeks. **This arrangement will not be available next week, which will be the week beginning May 11th. The arrangement for collecting resources you may have requested will be available next during the week beginning 18.5.20.** Following the same arrangements as the past two weeks, you will need to communicate with your child's classteacher if you do require any resources, and these will be available for a collection from the box located once again outside the hall door. We would appreciate for any school reading books which the children may have finished reading to be returned, so that these can be available for others, as the school has only a limited supply of reading books to loan out to the children. Please label with the child's name. Thank you.

The **collection** arrangements for each class are as follows.

Thank you, please continue to take care and to keep safe with your families.
