IMPORTANT INFORMATION FOR ALL PARENTS/CARERS

As we look forward to welcoming everyone back to school on Monday March 15th, I would like to present the following key information for all parents/carers who have responsibility in bringing and collecting children to and from school. To help with health and safety arrangements for the whole school community, to include pupils, parents and staff, I ask all parents/carers to ensure that the following are adhered to.

Please arrive at school / collect children from school at the relevant times.
PLEASE DO NOT ARRIVE IN SCHOOL IN THE MORNING OR AFTERNOON NO MORE THAN 5 MINUTES BEFORE THE START/FINISH TIME FOR YOUR CHILD.

Once you have dropped off your child or once you have collected your child from the class teacher, please proceed to make your way safely and promptly from the school site. If you are within walking distance to the school, then it would greatly help if you can avoid dropping off/collecting your child by car.

YEAR	START	FINISH
Nursery	9.00 Do not arrive before 8.55	11.30 Do not arrive before 11.25
Reception/Year 1& 2	9.15 Do not arrive before 9.10	2.45 Do not arrive before 2.40
Years 3 / 4 / 5 / 6	8.55 Do not arrive before 8.50	3.00 Do not arrive before 2.55

Only **ONE** parent / carer to collect the child/ren from the school yard.

Please make every effort to avoid collecting your child from the reception area before the usual collection times. This will help to reduce the risks involved with unnecessary movement of staff and pupils around the building and will also avoid disruption caused by pupils having to leave class during lessons.

All parents/carers are asked to wear a face covering when on the school site.

Please following the one-way route around the building when leaving the school yard. Every effort should be made to keep your child with you once released by the class teacher, which will avoid unnecessary mixing of different age group class bubbles.

Please ensure that you continue to keep a safe distance from others when collecting your child.

Please can you ensure that all relatives/carers who may be responsible for bringing the children to school or collecting the children from school are informed of the above information.

For the health and safety of the whole school community, thank you for your co-operation with the above.

Thank you,

Rhodri Jones
Headteacher
