PWYSIG / IMPORTANT
DARLLENWCH OS GWELWCH YN DDA/ PLEASE READ

Dear Parent/Carer,

As we continue with our daily arrangements in providing childcare for parents who are classed as being key workers, can I ask you to please read the following information carefully.

Please ensure that you request for your child to attend school, ONLY in a situation where you have investigated and carefully considered all other possible childcare options which may be available for you. We continue to ask and encourage parents/carers to only use school as the very last option. Due to the current severity of the situation in which we are in with regards to the Covid 19 pandemic, our aim is to keep the number of pupils attending school to a minimum. It is important to emphasise that home continues to be the safest place for the children, and that there is a risk for the child and family in bringing the children to school.

May I also remind you that if all other options have been considered, and bringing your child to school is the last resort in terms of childcare, and this has been discussed with myself, then you will need to notify the school every Friday before 3 o'clock, of what days you wish your child to attend. This should be done through e.mail to mailbox@hooson-pri.wrexham.sch.uk . This information is required to enable us to ensure that we have appropriate staffing in place. It will not be possible for a child to turn up at school without prior notice or request.

If your situation does change in any way e.g. a member of the family has developed symptoms of the virus, then you have a responsibility to inform the school immediately.

Finally, can I ask you as parents to continue to remind your child through your discussions of the importance of social distancing. The staff continue to remind the children on a daily basis of these messages, and therefore consistency in terms of messages delivered at home in raising the children's awareness would be very much appreciated.

Once again, we will ensure that you are continually informed of any new developments in terms of school provision, once the information becomes available to us. This is done through hour website, Schoop and School Twitter page.

Thanking you for your co-operation.

Yours sincerely,

Rhodri Jones
Pennaeth / Headteacher
