YSGOL I.D. HOOSON

October 22, 2020

Dear Parent/Carer,

LEARNING PACKS – Today the children have been presented with learning packs. These are to support the children if your child's class is faced with a situation where he/she is required to stay at home and self isolate. By receiving these packs today, it will help in minimising the disruption to the child's work and learning if we are faced with a situation where the class is unable to come to school. The paper activities within these packs, as well as your child's access to their HWB account where there will be additional activities, should be sufficient to allow your child to continue with learning activities during a period of having to stay at home, using paper copies or activities through accessing the computer. Through their Hwb account and accessing their Google classroom accounts, the children will be supported by their class teacher. These packs have been prepared for use in a situation where your child and your child's class would need to self isolate, and be unable to attend school. **They should therefore be kept until they are required for this reason**, as you will be unable to collect additional resources from school during a period of self isolation.

Show Racism the Red Card – Thank you to everyone who supported the appeal. By wearing red for school last Friday, £183 was donated to the appeal.

Harvest – Thank you very much to everyone who kindly donated foods for our Harvest appeal. The food has been donated to the food bank located in Capel Mawr in the village and will help and support many in the local community. Diolch.

Half term – School closes for the half term break on Friday October 23rd. The school re-opens on Monday November 2nd, continuing with the current timetable arrangements.

Schoop and school App – If you have not already done so, please can you ensure that you have registered with Schoop and have access to the school App, as the school will not be distributing paper copies of letters after the half term. You are also able to view letters through the school website.

Once again, I would like to remind you to please contact your child's class teacher through their direct e-mail address if you have any questions about the activities and your child's work, or contact the office at mailbox@hooson-pri.wrexham.sch.uk for general enquiries.

Thank you, please continue to take care and to keep safe with your families over the half term.

Yours sincerely,

Rhodri Jones
Headteacher
