PARENTS' EVENINGS

Dear Parent / Carer,

We would like to give you the opportunity to meet with your child's class teacher to discuss his/her progress during the week beginning on the 10th of May. Meetings will be held from 3.30 until 5.30. Due to health and safety reasons related to Covid-19, we are unable to arrange the meetings in the usual way with face to face meetings in school. However, we would like to offer you an opportunity to discuss with the class teacher through the use of video link utilising the 'Bookings' facility. This facility is available through the Welsh Assemblies HWB learning platform which your child has access to. Please ensure that the following are adhered to during these meetings.

Meetings will be no longer than 10 minutes. The timetable will be comparatively tight and therefore it will not be possible to go over the allocated time.
To assist the arrangements and to ensure that the available time is used as effectively as possible, as parents/carers you are asked to ensure that you are in a quiet room with no distractions to the meeting, avoiding the possibility of others, adults or children, disrupting the meeting.
There will be an opportunity for the class teacher to present some information about your child's progress during this academic year. You will have the opportunity to ask the class teacher questions about your child's progress.

The arrangements will be new for everyone and we therefore ask all parents/carers kindly for your co-operation with the arrangements. If there are technological difficulties, or other reasons which may not allow the meeting to be held, then the class teacher will arrange to contact you by telephone for a discussion in the week following the parent evenings.
The class teachers will admit you into the meeting at the relevant time. You may select one time only for your meeting.
To arrange an appointment, please follow the link, choosing your child's class teacher and a convenient time from the ones available.
