YSGOL I.D. HOOSON

30.4.20

Dear Parents / Carers,

We hope you're continuing to keep healthy and safe. The arrangements for 'Distance Learning' continue, and through the use of the various activities which are being offered by the teachers through the children's Hwb accounts and Google Classrooms, we are encouraging the children to have a go with some of the activities. Remember, the use of ICT is not required to complete every activity, as they can also be completed with pen and paper.

We will continue with the arrangements of offering you an opportunity to borrow and collect any resources to support your child at home, such as paper, pencils, reading book.(see information in letter dated 23.4.20) If you do wish to borrow any resources, then you are required to make contact with your child's classteacher by e.mailing the teacher in advance, to arrange what resources are required. This should be done before 3 o'clock on the previous day, which will enable the staff to prepare and collect any resources in advance.(before 3 o'clock on the Friday for Monday please) The timetable for next week is as follows. You are asked to keep to these times. The work for each class will not be available outside these times. These times must be kept to. If resources requested are not collected during the given times, **it will not be possible to collect outside these times**. There will be no entry into the school building.
