YSGOL I.D. HOOSON

Solihull Training

We are delighted to announce that parents can now access an innovative ONLINE course about children, worth £39, completely **free of charge**. Understanding Your Child is put together by the Solihull Approach, an accredited, evidence based approach established 20 years ago by psychologists, health visitors and other health professionals.
The course usually costs £39 per person. However using the Access Code: **NWSOL** (valid until November 2022) at www.ourplace.co.uk you can register for your own account and revisit the course indefinitely without paying a penny.
Understanding Your Child is for parents, carers, and professionals caring for children aged 0-18 years. It looks at brain development, play, styles of parenting, sleep, temper tantrums, communication and more and is based on the nationally and internationally acclaimed face to face course offered by the Solihull Approach.
There are 9-11 modules each taking around 20 minutes (the main screens have optional audio voice-overs) as well as interactive activities, quizzes, video clips and practical hand-outs.

"This has been a really valuable experience that in a way will impact on many aspects of my life"

"This course has been an absolutely invaluable gift to me. It has and will change so many aspects of my life. I am undoubtedly a better parent and more rounded and fulfilled person as a result. Some aspects have literally been like 'Eureka' moments to me! I WISH I'd known all this years ago"

"The Solihull Approach course I did made it clear parents don't need lessons: daily life throws us enough of those. What we need is the space to step back and observe our children. We need some structured guidance to help us reflect on all the factors that make them behave the way they do; some developmental, some circumstantial."

"I have found the online course very useful. Now, I take time to think more during difficult situations and during arguments with my kids."

"It doesn't work all the time but bit by bit, we are working towards a less confrontational household!"
