Personal statements submitted by candidates

BETH WILLIAMS

I am Beth Williams, I'm applying to be parent governor. I have 2 children at this school – one in year 4 and another in year 2.
I am local to the area and have been all life. I'm a fluent Welsh speaker. I work for WCBC as a school teacher, having many responsibilities within the school including subject leader and working effectively with school governors.
I am applying because I feel I have a great deal to offer the pupils which are at the heart of this thriving and popular school. I wish to be a voice for pupils, parents and the wider community. As an approachable person I believe that I can use my wide knowledge of education as a parent and teacher to work on your behalf to make our school the best that it can be.

BETHAN FELL

I write this supporting statement to outline my interest in being a school governor. I have a daughter in the Reception class and I feel I have a lot to offer the school from a parent's perspective. I feel that my experience of working in the school and my background in education is invaluable for the role in supporting the school. I was a member of the PTA for 4 years where I had the opportunity to work with a group of parents to raise money to further develop the school. The ethos of the school is very close to my heart, and I feel I would be a valuable member of the governing body if elected.

AMANDA RICHARDS

Becoming a school governor at Hooson would be an amazing opportunity and use of my skills, experience and enthusiasm. Having retired from full time work as Consultant Project Director for companies such as LEGO Education to concentrate on starting my family, I now have free time. I am familiar with committees, team working and decision making, holding roles of Chair for Llwyneinion Steering Group, Chair of Friends of Rhostyllen Parish Hall and experience as a former Community Councillor for Esclusham. I would love to contribute to the school that is helping our children realise their potential. I am a keen Welsh learner and aspire to be fluent.

JOSHUA ROBERTS

I have had the privilege of being a parent governor at Ysgol ID Hooson for the last 3 years. It has been a privilege to work with the other governors and the school staff. Coming from America, I have enjoyed learning how the school works and helping out in any way I am able.

My eldest has finished at Hooson and gone on to Ysgol Morgan Llwyd and I currently have three children enrolled at Hooson. I believe Hooson is a fantastic school with a fantastic faculty and staff. I would be privileged and honoured to continue to represent you and your children at Ysgol ID Hooson on the school governing body.
