YSGOL I.D. HOOSON

07.1.21

Dear Parent/Carer,

The majority of you may already be aware of Welsh Government's most recent announcement that schools will remain closed until January 18th. This may change, and there is the possibility that the return date will change if the situation regarding the covid-19 does not improve. On-line / blended learning arrangements will therefore continue for the pupils. I would like to encourage your child to have a go at the activities which have been prepared for them as well as attend the on-line sessions with the class teacher. Please contact the class teacher through e-mail if you are unsure of anything regarding the arrangements or work. We will continue to offer paper based activities for those who request, following a similar collection timetable to this week. **Once again, please inform the class teacher through e-mail if you require a paper based activity pack, so that the class teacher is able to prepare the resources for your child. For next week, please inform the class teacher by 10 o'clock on Monday morning 11th January at the latest.** The timetable for collection for the week beginning January 11th is as follows.

We are in the process of planning arrangements for providing a provision for pupils of parents/carers who are defined as being 'Key Workers' **only**, for nursery to year 6 pupils, where parents are unable to work from home over the following weeks. We have included the next fortnight as we are unsure of the final arrangements for schools for the remainder of the term. Please ensure that requests for provision are only made in situations where **no other possible childcare arrangements are available**. For the safety of all involved, and due to the seriousness of the current situation regarding covid-19, the school should be used as a **very last option**, as we aim to keep the number of pupils attending as low as possible.

Far parents/carers eligible for key worker provision, please see the main categories which are prioritised as suggested by the Local Authority. If you are in a situation where you will need to access school provision, please inform the school by e-mail to mailbox@hooson-pri.wrexham.sch.uk before 10 a.m. on Friday January 8th, at the latest, and present the information on the information sheet below. The situation we are in is extremely difficult and worrying to us all and therefore a prompt response would be appreciated to enable us to plan our staffing for the provision.

Yours sincerely,

Mr Rhodri Jones
Headteacher
